The message that
changed the world

Four talks from Acts 13&14

The message that changed the world

How did a dead Jewish leader become the official God of the great Roman Empire – and why do more people follow him in the 21st century than hold any other worldview? Acts 13 & 14 records the first planned mission of the Christian church. Through these four talks, we will hear the powerful message that won unlikely converts and was unanswerable by the philosophies of the day – or today.

5th January A message for everyone
(Acts 13:1-12)

12th January A message of salvation
(Acts 13:13-52)

19th January A message of power
(Acts 14:1-20)

26th January A message for eternity
(Acts 14:21-28)

Speaker: Richard Bray
